The spring, insofar as can be found, has been in constant use for this property since the early 1860's, and is apparently a vested right of the property owner. It is just slightly off the property itself, and serves no other land or user. Unionville oldtimers assure us that the spring was filed on by James Morsehead, the original property occupant, in the 1860's or 1870's. However, there does not seem to be any proof of this alleged filing available. WE DO NOT FORSAKE ANY VESTED RIGHTS WHICH MAY HAVE ACCRUED TO THIS PROPERTY.
